"Tow Days." OR, THE UNITED AMERICANS' SONG. A subtle foe has plotted long. Few days! Few days!

But we will show that we are strong In a few days.

For we are joined both heart and hand,
Few days! Few days!

CHORUS:
Then shout the loud hosanna,
Few days! Few days! Let mountain and savanuah
The anthem raise.
While we in emulation,
Few days! few days! The guardians of our nation, We'll keep it free.

The demagogue may fret and sus, Few days! few days! And we will show what we can do, In a few days! In Freedom's sacred cause we band, Few days! Few days!
From alien rule to free our land,

From shore to shore. Cuc: Then shout, &c. To all who come our land is free, Few days! few days! And learn to prize that Liberty We love so well; We love so well;
But claim 'tis ours, whose fathers died;
Few days! few days!
Our native land to guard and guide
Its tame and laws.

Сно: Then shout, &c. Tho' called Know Nothings we will show, Few days? Few days? What we can do, as will know, In a few days; For we are joined heart and hand, Few days! Few days!

And soon will free our native land From every foe Спо: Then shout, &c. May your pathway through life be so one unmitt-gated shower of bright-hued flowers, and the sequel as penceful as the falling of a stream. Once more, "A Harry New Year."

A TRACE OF HOWARD, THE MURDERER .-A correspondent writing us from New Amsterdam, Harrison county, Indiana, says that he knows all about Howard who escaped from the Lagrange jail, two years ago, when under sentence of death. He says that he was acquainted with the men who took him out-that he was put on a boat and brought down the river to that county. Our correspondent furthermore says: "If you feel interested, wright to - New Amsterdam, Harrison co., Indiana."-Lou. Courier.

The mountain darkens the river's breast,
With its shining robes of green,
And far, far down in the water's depth,
Its shadow is dimly seen;
With the cedar spreading its boughs afar,
And the willow drooping low.
Just lightly touching the sparkling waves,
As onward they softly go.
Half mirthfully hailing the ripples bright
As they toos them to and fro.

And a quiet spot is our village home, When toils of day are done. When the wearied ones from work return.
To their hearth-stones one by one;
No revel shouts on the air are heard,
From taverns close and dim,
No cound is heard on the stilly night,
Save the willow's converted. Save the villager's evening hymn; 'he wine cup stands on the shelf untouched, And dry is the goblet's brim.

No splendid mansion is reared on high, No splendid mansion is reared on high,
In this village home of ours,
But humble, lovely cots have we,
Encircled with vines and flowers,
The windows are mantled with roses bright,!
And i smine pure and fair,
Which the maidens gather at eventide,
To wreath in their braided hair.

There are lovelier homes in this earth I know There are loftier cots than ours,
There are richer scenes, there are softer winds
There are brighter and sweeter flowers; But oh, though their mansions may costly be— Though their windows in grandeur glesm. Though the scenes around them be brighter fa Than the poet's or the painter's dream,

No place to our bosom can be so dear As our home by the willowy stream.

From the London Instructor THE CHRISTMAS BRIDE CHAPTER IV .- (CONTINUED.)

It was, indeed, Mary. She had opened the window to admit a little air, foggy and impure as it necessarily was, in that unhealthy locality; and upon beholding her father in the street below, standing transfixed and gazing upon her, she uttered a suppressed shriek, and fell back into her husband's arms, who had just returned from giving a music lesson; the first since his long illness.

At the sound of that shriek, Mr. Sellers recovered from the amazement into which his daughter's sudden appearance had thrown him; and, rushing to the lodging house door, without giving any explana tion to Martha, he knocked at it in a style so different from his usually gentle, collected manner, that had she not before divined what had happened, she might have feared that he had taken leave of his senses. A tawdry girl speedily appeared, in answer to the knock; but he thrust her aside without ceremony, and ascending the stairs, three at a time, as if he feared his daughter would be spirited away from him, appeared before the sitting-room door just as

and children. "While he was about it," thought the fearful oath-"while I was doing the thing, I'd take care I did it handsomely.'

He had just arrived at this conclusion when a loud knock came to the door, breaking in upon his reflections, and startling him considerably.

"What a fool I am," he thought. "I dare great composure. say it's only Sam Jones coming in to beg a light. I'll teach him to knock, if he hammers in that way, the ---. Come in."

he shouted rudely. The door was flung wide open, and in marched-not Sam Jones, as he expected -but two men, bearing between them a hamper of very considerable dimensions, and equally weighty with its size; if one might judge by the evident muscular exerthe mud floor.

"All right," said one of them, "This ere be Mister John Marvel's, aint it ?" "Yes," said Jack, sharply.

The men departed, and the little girls, who had ceased play to gaze at them, ran towards their father. "Father, father; big box! Come, look,

Jack hesitated-for in the mood in which he then was he would have scorned to testify any curiosity, however natural-but the inportunities of the children at length prevailed upon him to examine the hamper. It was well corded; and directed in clear, decided feminine hand, which gave him no clue to the sender, as he was totally unacquainted with the hand-writing.

"Father, he quick and open it. Do, pray father."

"Leave me room, then, lasses," said Jack, beginning to relax in his ill-humor at the touch of their importunate caresses : for reckless and desperate as the wretched man had become, he had ever been a fond affectionate father. "Leave me a bit of room. You. Emma, take hold of this knot. Now, Mary, help to lift the end of this hamper - there, there's beauties -while I pull the rope from under. Now, we have only got to unfasten it and look

And a glorious sight rewarded their exertions. First came three large bundles of clothing, containing shirts, stockings, drawers and so forth, for Jack; and everything needful to clothe the little girls from top to toe. Then followed a package of tea, another of sugar, a huge side of bacon, a large meat pie, a piece of cold roast beef. and last not least, a glorious Christmas

"Father," cried the little girls, as Jack extracted from the midst of these, something nearly square wrapped up in paper-"father, what is that?"

It was a New Testament, out of which dropped a letter for Jack, superscribed by the same hand which had written the direction on the card. atant imaginings of evil, and great depression of spirits can be effectually cured by DR. HOOFLAND'S Celebrated German Bitters, PREPARED BY

DR. C. M. JACKSON. No. 120 Arch street, Philadelphia, Pennsylvania.
Their power over the above diseases is not excelded, if equalled, by any other preparation in the United States, as the cures attest, in many cases after skilful physicians had failed.
These Bitters are worthy the attention of invalidation of diseases.

Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are, withal. safe, certain and pleasant.

And pleasant.

which has been given it, and having tested its virtues we unhesitatingly say it eminently deserves it."

J T & J W Berry, Uniontown, Ky, July 21, 1852, said: "We have heard of many cures performed by the use of Dr. Hoofland's German Bitters, and believe it to be a valuable medicine."

J Grant, Irvine Ky, June 26, '52, said: "We have succeeded in introducing your Hoofland Bitters; physicians and others purchase them by the half dozen and dozen."

Dr. P Fatio & Bro. Knoxville, Tenn. April 9 1851 said: "Your Bitters are now selling very fast, and every person that has used it. so far as we have been able to learn, has been benefitted." These Bitters are entirely vegetable, they invig-rate and strengthen the system, never prostrate it; and can be used for Infants as well as adults. For sale by respectable dealers everywhere.

19737 PROCLAMATION

To the Citizens of Shelbyville and Shelby country: PULVERNACHERS HYDROELECTRIC A VOLTAIC CHAINS, producing instant re-lief from the most acute pain, and permanently curing all Neuralgic diseases. Rheumatism, psinful and swelled Joints, Neuralgia of the Face, Blindness, Deafness, St. Vitus dance, palpitation of the heart, periodical headache, pains in the stomach, indiges-tion description and periodical descriptions. tion, dyspepsia, uterine pains, paralysis, etc., etc.

These chains were first introduced in the city of New York, loss than one year since, and after being subjected to thorough trials in every hospital in the city, and applied by Dra Valentine Mott, Post, Carnochan, Van Buren and others, it was discovered that they nower in the content of the cont

they possess strange and wonderful power in the re-lief and cure of the above class of diseases, and their sale and the success that has attended their use is unparalleled. Frevious to their introduction into this country Frevious to their introduction into this country, they were used in every hospital in Europe, and are secured by patents in France, Germany, Austria, Fruesia and England; and also, in the United States. "Think close and ponder well."—The principles upon which it is claimed that the Chains produce their marvelous cures, are. first—that all nervous diseases are attended and produced by a deficient supply of nervous fluid, and an agent that resembles closed electricity or electro magnetisms and second—that of nervous fluid, and an agent that resembles closed electricity or electro magnetism; and second—that the electro magnetic chains by being worn over and upon the part and organ diseased, furnish to the exhausted nervous system, by its powerful stimularing effects, the nervous fluid which is required to produce a healthy action through the entire system. No disgusting nostrum is allowed to be taken while using the chains, but a rigid observance of the general laws of health are required. Brisk friction upon the part diseased adds much to the effect of these chains by increasing their magnetic power.

increasing their magnetic power.

One Thousand Dollars will be given to any person who will produce so many well authenticated certificates of cure, both from intelligent patients and scientific physicians as have been effected by the use of Pulvermacher's Electric Chains. They never fail to perform what they are advertised to do, and no on has ever been dissatisfied who has given them

In Female Diseases more than one hundred cures of Prolapsus Uteri have been effected within the last year by the use of these Chains. By applying one end of the chain over the region of the abdomen, and the other upon the spine just above the hip, the usual severe symptoms incident to that disease are at once DIES of our own manufacture, are now offered for Mode of Use .- The chain should be moistened be

the chain should be applied directly to the seat of the pain or disease, and the other end opposite to it.

Be not deceived! The Electric Chains are not to
cure all diseases; but for nervous diseases it is claimed that no medicinal agent in the world has produced so many cures in the last year as the Electric Chain. Instant Relief from the most acute pain is produced at the moment of application, much more effectually than can be produced by opium, in any of its forms. Call and obtain a pamphlet (gratis.)
